PETITION TO CORRECT INVENTORSHIP UNDER 37 CFR   1.48(a)

Sir:

It is respectfully petitioned that the inventorship of the above-identified application be corrected to add Christian Belmant as an inventor. Authority for this petition and the correction of inventorship is found in 37 C.F.R.   1.48(a), reproduced below.

37 C.F.R.    1.48 Correction of inventorship in a patent application, other than a reissue application

- (a) If the inventive entity is set forth in error in an executed    1.63 oath or declaration in a nonprovisional application, and such error arose without any deceptive intention on the part of the person named as an inventor in error or on the part of the person who through error was not named as an inventor, the inventorship of the nonprovisional application may be amended to name only the actual inventor or inventors. Amendment of the inventorship requires:

- (1) A request to correct the inventorship that sets forth the desired inventorship change;

(2) A statement from each person being added as an inventor and from each person being deleted as an inventor that the error in inventorship occurred without deceptive intention on his or her part;

(3) An oath or declaration by the actual inventor or inventors as required by § 1.63 or as permitted by §§ 1.42, 1.43 or § 1.47;

(4) The processing fee set forth in § 1.17(i); and

(5) If an assignment has been executed by any of the original named inventors, the written consent of the assignee (see § 3.73(b) of this chapter).

Christian Belmont was unintentionally, and without deceptive intent, not originally included on the application as a co-inventor.

Accompanying this petition are:

- (1) A statement from the individual being added as an inventor that the error in inventorship occurred without deceptive intention on his part;
- (2) A declaration under § 1.63 by the actual inventors;
- (3) A power of attorney by the added inventor;
- (4) The fee set forth in § 1.17(i); and
- (5) The written consent of the assignee (pursuant to § 3.73(b)).

Please charge \$130.00 to Deposit Account 19-0065. Two copies of this sheet are enclosed. The Commissioner is also authorized to charge any additional fees that may be required by this paper to Deposit Account No. 19-0065.

Respectfully submitted,
